

**16 December 2024**

At the recent AGM, our president Judith Roland highlighted the work of volunteers and contractors in 2024.

Currently we have 20 reserves and parks on Tamborine Mountain which we maintain. Weeding and planting on these sites have resulted in more habitat for our local wildlife. Many of these sites are now quite mature, resembling mini national parks - beautiful rainforest trees and lush understory.

### Volunteers

Piccabeen Bookshop volunteers, and the Tuesday and Saturday working bee groups – it's so important to thank all these members who give up their time to help us raise funds and to do the regular on-ground work.

The Landcare Centre is a favourite relaxing spot to drop in to. Birds galore, frogs in the waterhole and much more

A reminder that our Piccabeen Bookshop has some lovely new books that would be suitable for Christmas gifts. Please drop in and check out our range. We thank all our members who support this little bookshop. As you know, it's an important major fund-raiser for our many projects

In closing the AGM, Judith thanked the Management Committee for their support and efforts in maintaining a smoothly run organisation.
