National Tree Day: Celebrate with Us!

It's 10 years since TM Landcare established our Landcare Centre in a weedy paddock. Since then, our volunteers and contractors, guided by the practical vision of our president, Judy Roland, have created a haven of trees and plants that our visitors (humans and other animals) enjoy immensely.

This year's annual National Tree Day gives us a great opportunity to celebrate this wonderful showcase of our local native species, many of them planted at previous National Tree Day plantings.

So this year, instead of digging holes, planting tubestock and watering them, please join us in wandering round our thriving display gardens and sharing with others in a celebratory morning tea –

Place: Landcare Centre, Hartley Rd East, Tamborine Mountain

Date: Sunday 28th July

Time: 9am – 12 noon

10am: morning tea with our special guest, Catherine Madden, Land for Wildlife Officer, Scenic Rim Regional Council

The photo below shows the amazing growth of the beautiful specimen cabinet timber trees that were planted just seven years ago at a National Tree Day planting!
